Keep our focus on God, Eyes set toward Eternity, to be Kingdom minded through the mind of Christ.

“So I am asking you, my friends, that you be joined together in perfect unity – with one heart, one passion, and united in one love. Walk together with one harmonious purpose and you will fill my heart with unbounded joy.” Philippians 2:2. (TPT)

Hello Partners and Prayer Warriors,

When we accepted the invitation to go to Tanzania Africa and do a pastors conference, we had no idea what God had in store for us. We are a team of 8 people (Us, Gary & Jane Ann Casey, Danny & LeaCay Farr and Royce & Jennifer Riffin), who have traveled together before and is always seeking to fulfill the great commission. Our journey began with flight delays that caused us to miss the first day of a three day conference, but God’s promise is to direct our every step and that He did! What we missed that first day, God made up the time over the last two days with interest, therefore making time to pray over every pastor. After the conference was completed, we were blessed with becoming honorary Maasai tribe members. It is something we hope to never forget.

There were over 100 pastors in attendance and we witnessed Praise and Worship on a whole different level than we are used to! The dancing during praise and worship reminded us of the passage of when David danced before the Lord with all his might (2 Sam. 6:14); and it was both humbling and amazing to

see the people of Tanzania dance before the Lord.

By the leading of the Holy Spirit, God’s word went forth and every teaching was anointed and every translator did a wonderful job keeping in step. We couldn’t help but notice how everyone took meticulous notes.

Lunch time was filled with such wonderful conversations with these pastors who asked many questions as they were seeking relationship. God’s love shone brightly as we fellowshiped, giving all glory to the one who orchestrated our time together. One evening we were invited to Pastor Solomon and Bethar Mwangisa’s home for dinner. This is more amazing than what one would first think. Several years ago, Pastor Bethar (a very strong

woman of faith) was blinded due to a botched eye surgery, yet it has not stopped her from doing any of her personal or pastoral duties. She cooked a large dinner for us that evening by herself. She wouldn't let anyone help her because she wanted to honor us in a very special way. After dinner there was a great time of fellowship where Pastor Solomon asked us to pray against a poverty mentality which was very evident everywhere we went in Tanzania.

After our time with Pastor Solomon was over we did get some rest and relaxation. Pastor Solomon had set aside time for us to do two different safaris: Tarangire Wildlife Park and Ngorogoro Crater. Both were magnificent as God answered our every prayer and we saw a part of His creation that we had only seen on television or in books. As with every trip we make, our appreciation for what God does is incredible. We go with the expectation of spreading the Good News and every time, we are blessed by seeing God revealed.

The intense pleasure you give me surpasses the gladness of harvest time, even more than when the harvesters gaze upon their ripened grain and when their new wine overflows. Ps 4:7(TPT)

Whatever your harvest is, we pray God's abundance in it.
Happy Autumn!
